Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Monday 06 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Becoming increasingly warm through to Wednesday. Cooler, unsettled thereafter.

Today:
Any early cloud will soon clear to the east, followed by a fine and dry day with light winds and sunny spells. A chance of one or two showers in the afternoon. Becoming very warm. Maximum temperature 27 deg C (81 deg F).

Tonight:
A dry evening with plenty of residual sunshine, any showers soon dying out. Some light winds and largely clear skies overnight, leading to a few mist and fog patches. Mild. Minimum temperature 14 deg C (57 deg F).

Tuesday:
A fine and dry day on Tuesday, with plenty of sunshine once early mist and fog patches dissipate. Some light winds, feeling very warm or even hot. Maximum temperature 29 deg C (84 deg F).

Outlook for Wednesday to Friday:
Dry, sunny and hot on Wednesday though breezy on hills and coasts. Showers spreading erratically northeastwards overnight to become widespread and occasionally heavy on Thursday and Friday. Less warm.
